

# **PEOPLE IN SEARCH OF UTILITY** **RATE RELIEF**

Dear Governor Corzine,

I am adding my voice to the thousands of people who have joined with **Senator Phil Haines, Assemblywoman Dawn Marie Addiego and Assemblyman Scott Rudder** in their efforts to protect South Jersey families from out of control double-digit utility rate increases.

Utility companies are requesting, and being granted, incomprehensible rate increases at a time when New Jersey families cannot afford it. This important legislation (A-3603 / S-2458) will provide our families with some very need relief.

Please lend your support to this important legislation sponsored by Senator Haines, Assemblywoman Addiego and Assemblyman Rudder!

Sincerely,
