TOTAL UNEXPLAINED SPECIAL LINE ITEMS FOR NAMED BENEFICIARIES	1277450

\* \$20 million in funding for Atlantic City was the subject of public budget resolution advanced by Senator Polistina for a clearly explained purpose, though it is unknown if the \$30 million appropriation in the budget includes that request and how the balance of the appropriation will be used

\*\* Morris County College Funding was the subject of a public Senate GOP Budget Members' Resolution last year for a clearly explained new facility and program that will help recruit and train medical professionals including nurses, assistants, and technicians. This line item presumably supports that request

\*\*\* Care Giver Hub Site and Community Grants might not be for a named beneficiary and could be for a competitive grant program.
