Senator Anthony M. Bucco (R-25) issued the following statement on the passing of former Senator Ron Rice:

Statement from Sen. Anthony M. Bucco on the passing of former Senator Ron Rice. ([Pixabay](#))

"Many people don't know that Senator Rice and my late father were very close. I learned from my dad that Ron was a gentleman and someone you could trust. He didn't care if you were a Republican or a Democrat. If you were doing something good, he was always there to help. I learned that firsthand over and over again in our time working together in the Legislature. Ron was one of a kind, and he will be missed."
