Dear Mr. Neff:

The Department of the Treasury, Office of Public Finance, has reviewed your Open Public Records Act (OPRA) Request W161487. You requested *“The Federal Reserve Bank requires States interested in borrowing money under certain of its Municipal Liquidity Facility (<https://www.newyorkfed.org/markets/municipal-liquidity-facility/municipal-liquidity-facility-faq>) to file a Notice of Interest (NOI). The NOI is designed to provide the Federal Reserve with an indication of the Eligible Issuers that intend to sell Eligible Notes. Please provide a copy of any NOI and any appendices, attachments or cover letters submitted to the Federal Reserve or to mlfnoi@blxgroup.com on behalf of New Jersey or any of its authorities.”*

On behalf of the Records Custodian for the Office of Public Finance, we are providing the following response. The Office of Public Finance does not have any of the records responsive to the request.

As there are no documents responsive to your request, OPRA Request W161487 has been closed.

Should you have any questions, please contact the Treasury Government Records Access Unit at (609) 633-1300 or by email at AccessUnit.TreasuryGovernmentRecords@treas.nj.gov.

Sincerely,

Cynthia Jablonski
Manager, Government Records Access Unit
