Section 6: Effective date.

AN ACT reducing unemployment benefits and employer unemployment taxes, establishing a “shared work” unemployment benefits program, and revising various parts of the statutory law.

BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1. (New section) For the purposes of this act:

“Division” means the Division of Unemployment and Temporary Disability Insurance of the Department of Labor and Workforce Development.

“Full-time hours” means not less than 30 and not more than 40 hours per week.

“Shared work employer” means an employer who is providing a shared work program approved by the division pursuant to section 2 of this act.

“Short-time benefits” means benefits provided pursuant to sections 1 through 8 of this act.

2. (New section) During the period from January 1, 2011 and December 31, 2012, an employer who has not less than 10 employees, who are each employed for not less than 1,500 hours per year, may apply to the division for approval to provide a shared work program, the purpose of which is to stabilize the employer’s work force during a period of economic disruption by permitting the sharing of the work remaining after a reduction in total hours of work. Any subsidizing of seasonal employment during off season, of employers who traditionally use part-time employees, or of temporary part-time or intermittent employment on an ongoing basis, is contrary to the purpose of a shared work program approved pursuant to this act. The application for a shared work program shall be made according to procedures and on forms specified by the division and shall include whatever information the division requires. In deciding whether to approve the application, the division may consider the nature and size of the employer, its frequency of personnel turnover, its geographical location, and any other factors which may affect the efficacy and utility of the shared work program. The division may approve the program for a period of one year. The division shall not approve an application unless the employer:

a. Certifies to the division that it will not hire additional part-time or full-time employees while short-time benefits are being paid;

b. Agrees with the division not to reduce health insurance or pension coverage, paid time off, or other benefits provided to employees before the application was made, or make unreasonable revisions of workforce productivity standards;

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

c. Certifies to the division that any collective bargaining agent representing the employees has entered into a written agreement with the employer regarding the terms of the program, including terms regarding attendance in training programs while receiving short-time benefits, and provides a copy of the agreement to the division; and

d. Agrees to provide the division with whatever information the division deems necessary to administer the shared work program and monitor compliance with all agreements and certifications required pursuant to this section.

3. (New section) The division may revoke approval of an employer's application previously granted for good cause shown, including any failure to comply with any agreement or certification required pursuant to section 2 of this act or other conduct or occurrences which the division determines to defeat the purpose, intent and effective operation of a shared work program.

4. (New section) An individual who is employed by an employer with a shared work program approved by the division shall be eligible for short-time benefits during a week if:

a. The individual was employed by the employer for not less than 1,500 hours during the individual's base year;

b. The individual works for the employer less than the individual's normal full-time hours during the week, and the employer has reduced the individual's weekly hours of work pursuant to a shared work program approved by the division pursuant to section 2 of this act;

c. The percentage of the reduction of the individual's work hours below the individual's normal full-time hours during a week is not less than 10%, with a corresponding reduction of wages;

d. The individual would be eligible for unemployment benefits other than short-time benefits during the week, if the individual was entirely unemployed during that week and applied for unemployment benefits other than short-time benefits; and

e. During the week, the individual is able to work and is available to work the individual's normal full-time hours for the shared work employer or is attending a training program which is in compliance with the provisions of paragraph (4) of subsection (c) of R.S.43:21-4 and the agreements and certifications required pursuant to the provisions of section 2 of this act.

5. (New section) The amount of short-time benefits paid to an eligible individual shall, for any week, be equal to the individual's weekly benefit rate multiplied by the percentage of reduction of his wages resulting from reduced hours of work. The weekly benefit amount shall be rounded off to the nearest dollar. An individual shall not be paid short-time benefits in excess of 26 weeks during a benefit year, but the weeks may be nonconsecutive. An individual

shall not receive short-time benefits during any benefit week in which the individual receives any other unemployment benefits.

Total unemployment benefits paid to an individual during any benefit year, including short-time benefits and all other unemployment benefits, shall not exceed the maximum amount to which the individual is entitled for all unemployment benefits other than short-time benefits.

6. (New section) A shared work program and payment of short-time benefits to individuals under the program shall begin with the first week following approval of an application by the division or the first week specified by the employer, whichever is later.

7. (New section) All short-time benefits paid to an individual shall be charged to the account of the shared work employer by which the individual is employed while receiving the short-time benefits. If the shared work employer is liable for payments in lieu of contributions in the case of other unemployment benefits, that employer shall be liable for payments in lieu of contributions for the entire amount of the short-time benefits paid.

8. (New section) If the United State Department of Labor finds any provision of this act to be in violation of federal law, all provisions of this act shall be inoperative.

9. Section 5 of P.L.2007, c.212 (C.34:21-5) is amended to read as follows:

5. a. There is established, in the Department of Labor and Workforce Development, a response team. The purpose of the response team is to provide appropriate information, referral and counseling, as rapidly as possible, to workers who are, or may be, subject to plant closings or mass layoffs, and the management of establishments where those workers are or were employed.

b. In the case of each transfer or termination of the operations in an establishment which results in the termination of 50 or more employees, the response team shall:

(1) Offer to meet with the representatives of the management of the establishment to discuss available public programs which may make it possible to delay or prevent the transfer or termination of operations, including economic development incentive and workforce development programs, shared work unemployment compensation benefit programs, and coordinated utilization of any of those programs which are applicable;

(2) Meet on site with workers and provide information, referral and counseling regarding:

(a) Available public programs which may make it possible to delay or prevent the transfer or termination of operations, including economic development incentive and workforce development programs, shared work unemployment compensation benefit

programs, and coordinated utilization of any of those programs which are applicable;

(b) Public programs or benefits which may be available to assist the employees, including, but not limited to, unemployment compensation benefits, job training or retraining programs, and job search assistance; and

(c) Employee rights based on this act or any other law which applies to the employees with respect to wages, severance pay, benefits, pensions or other terms of employment as they relate to the termination of employment; and

(3) Seek to facilitate cooperation between representatives of the management and employees at the establishment to most effectively utilize available public programs which may make it possible to delay or prevent the transfer or termination of operations or to assist employees if it is not possible to prevent the termination.

(cf:P.L.2007, c.212, s.5)

10. R.S.43:21-3 is amended to read as follows:

43:21-3 Benefits.

(a) Payment of benefits.

All benefits shall be promptly paid from the fund in accordance with such regulations as may be prescribed hereunder.

(b) Weekly benefits for unemployment.

With respect to an individual's benefit year commencing on or after July 1, 1961, such individual, if eligible and unemployed (as defined in subsection (m) of R.S.43:21-19), shall be paid an amount (except as to final payment) equal to his weekly benefit rate less any remuneration, other than remuneration from self-employment paid to an individual who is receiving a self-employment assistance allowance, paid or payable to him for such week in excess of 20% of his weekly benefit rate (fractional part of a dollar omitted), or, in the case of an individual electing to receive benefits at half the weekly rate for twice the duration pursuant to paragraph (1) of subsection (c) of this section, in excess of 100% of his weekly benefit rate, or \$5.00, whichever is the greater; provided that such amount shall be computed to the next lower multiple of \$1.00 if not already a multiple thereof.

(c) Weekly benefit rate.

(1) With respect to an individual whose benefit year commences after September 30, 1984, his weekly benefit rate under each determination shall be 60% of his average weekly wage, subject to a maximum of $56 \frac{2}{3}\%$ of the Statewide average weekly remuneration paid to workers by employers subject to this chapter (R.S.43:21-1 et seq.), as determined and promulgated by the Commissioner of Labor and Workforce Development; provided, however, that such individual's weekly benefit rate shall be computed to the next lower multiple of \$1.00 if not already a multiple thereof.

(1) With respect to an individual whose benefit year commences after September 30, 1984, his weekly benefit rate under each determination shall be 60% of his average weekly wage, subject to a maximum of 56 2/3% of the Statewide average weekly remuneration paid to workers by employers subject to this chapter (R.S.43:21-1 et seq.), as determined and promulgated by the Commissioner of Labor and Workforce Development, except that with respect to an individual whose benefit year commences after the expiration of the agreement between the State and the United States Secretary of Labor pursuant to section 2002 of the Federal Assistance for Unemployed Workers and Struggling Families Act for the payment of "additional compensation," as that term is used in that act and after issuance of by the State of the final "additional compensation" payment to the last eligible claimant and on or before December 31, 2013, the maximum weekly benefit amount provided pursuant to this subsection (1) shall be the maximum minimum benefit which was in effect during calendar year 2010, reduced by \$50, and that maximum minimum benefit shall remain in effect until the tax rates in column "B" or "A" of the Tax Table in R.S.43:21-7(c)(5) take effect, whichever occurs first, at which point the maximum shall be 56 2/3% of the Statewide average weekly remuneration paid to workers by employers subject to this chapter for the year that would have been used to determine the maximum benefit that would have been in effect in calendar year 2011, reduced by \$50, and for each year following in which the tax rates in column "B" or "A" of the Tax Table in R.S.43:21-7(c)(5) are in effect, a successive year shall be used for the Statewide average weekly wage on which the maximum weekly benefit rate is set at 56 2/3%, reduced by \$50; and except that, for benefit years commencing after September 30, 2010 and before October 1, 2012, the individual may, upon applying for benefits, notwithstanding any other provision of this act, elect to receive benefits at half the weekly rate to which he is otherwise entitled and receive the benefits for twice as many weeks as he is otherwise entitled, and provided, however, that such individual's weekly benefit rate shall be computed to the next lower multiple of \$1.00 if not already a multiple thereof.

(2) Dependency benefits.

(A) With respect to an individual whose benefit year commences after September 30, 1984, the individual's weekly benefit rate as determined in paragraph (1) of this subsection (c) will be increased by 7% for the first dependent and 4% each for the next two dependents (up to a maximum of three dependents), computed to the next lower multiple of \$1.00 if not already a multiple thereof, except that the maximum weekly benefit rate payable for an individual claiming dependency benefits shall not exceed the maximum amount determined under paragraph (1) of this subsection (c).

(B) For the purposes of this paragraph (2), a dependent is defined as an individual's unemployed spouse or an unemployed unmarried child (including a stepchild or a legally adopted child) under the age of 19 or an unemployed unmarried child, who is attending an educational institution as defined in subsection (y) of R.S.43:21-19 on a full-time basis and is under the age of 22. If an individual's spouse is employed during the week the individual files an initial claim for benefits, this paragraph (2) shall not apply. If both spouses establish a claim for benefits in accordance with the provisions of this chapter (R.S.43:21-1 et seq.), only one shall be entitled to dependency benefits as provided in this paragraph (2).

(C) Any determination establishing dependency benefits under this paragraph (2) shall remain fixed for the duration of the individual's benefit year and shall not be increased or decreased unless it is determined by the division that the individual wrongfully claimed dependency benefits as a result of false or fraudulent representation.

(D) Notwithstanding the provisions of any other law, the division shall use every available administrative means to insure that dependency benefits are paid only to individuals who meet the requirements of this paragraph (2). These administrative actions may include, but shall not be limited to, the following:

(i) All married individuals claiming dependents under this paragraph (2) shall be required to provide the social security number of the individual's spouse. If the individual indicates that the spouse is unemployed, the division shall match the social security number of the spouse against available wage records to determine whether earnings were reported on the last quarterly earnings report filed by employers under R.S.43:21-14. If earnings were reported, the division shall contact in writing the last employer to determine whether the spouse is currently employed.

(ii) Where a child is claimed as a dependent by an individual under this paragraph (2), the individual shall be required to provide to the division the most recent federal income tax return filed by the individual to assist the division in verifying the claim.

(3) For the purposes of this subsection (c), the "Statewide average weekly remuneration paid to workers by employers" shall be computed and determined by the Commissioner of Labor and Workforce Development on or before September 1 of each year on the basis of one-fifty-second of the total remuneration reported for the preceding calendar year by employers subject to this chapter, divided by the average of the number of workers reported by such employers, and shall be effective as to benefit determinations in the calendar year following such computation and determination.

(d) Maximum total benefits.

(1) (A) (Deleted by amendment, P.L.2003, c.107).

(B) (i) With respect to an individual for whom benefits shall be payable for benefit years commencing on or after July 1, 1986, and before July 1, 2003 as provided in this section, the individual shall

be entitled to receive a total amount of benefits equal to three-quarters of the individual's base weeks with all employers in the base year multiplied by the individual's weekly benefit rate; but the amount of benefits thus resulting under that determination shall be adjusted to the next lower multiple of \$1.00 if not already a multiple thereof. With respect to an individual for whom benefits shall be payable for benefit years commencing on or after July 1, 2003 as provided in this section, the individual shall be entitled to receive a total amount of benefits equal to the number of the individual's base weeks with all employers in the base year multiplied by the individual's weekly benefit rate; but the amount of benefits thus resulting under that determination shall be adjusted to the next lower multiple of \$1.00 if not already a multiple thereof.

(ii) Except as provided pursuant to paragraph (1) of subsection (c) of R.S.43:21-7, benefits paid to an individual for benefit years commencing on or after July 1, 1986 shall be charged against the accounts of the individual's base year employers in the following manner:

Each week of benefits paid to an eligible individual shall be charged against each base year employer's account in the same proportion that the wages paid by each employer to the individual during the base year bear to the wages paid by all employers to that individual during the base year.

(iii) (Deleted by amendment, P.L.1997, c.255.)

(2) No such individual shall be entitled to receive benefits under this chapter (R.S.43:21-1 et seq.) in excess of 26 times his weekly benefit rate in any benefit year under either of subsections (c) and (f) of R.S. 43:21-4. In the event that any individual qualifies for benefits under both of said subsections during any benefit year, the maximum total amount of benefits payable under said subsections combined to such individual during the benefit year shall be one and one-half times the maximum amount of benefits payable under one of said subsections.

(3) (Deleted by amendment, P.L.1984, c.24.)

(cf: P.L. 2004, c.45, s.1)

11. R.S.43:21-4 is amended to read as follows:

43:21-4. Benefit eligibility conditions. An unemployed individual shall be eligible to receive benefits with respect to any week only if:

(a) The individual has filed a claim at an unemployment insurance claims office and thereafter continues to report at an employment service office or unemployment insurance claims office, as directed by the division in accordance with such regulations as the division may prescribe, except that the division may, by regulation, waive or alter either or both of the requirements of this subsection as to individuals attached to regular jobs, and as to such other types of cases or situations with respect to which the division finds that compliance with such requirements would be

oppressive, or would be inconsistent with the purpose of this act; provided that no such regulation shall conflict with subsection (a) of R.S.43:21-3.

(b) The individual has made a claim for benefits in accordance with the provisions of subsection (a) of R.S.43:21-6.

(c) (1) The individual is able to work, and is available for work, and has demonstrated to be actively seeking work, except as hereinafter provided in this subsection or in subsection (f) of this section.

(2) The director may modify the requirement of actively seeking work if such modification of this requirement is warranted by economic conditions.

(3) No individual, who is otherwise eligible, shall be deemed ineligible, or unavailable for work, because the individual is on vacation, without pay, during said week, if said vacation is not the result of the individual's own action as distinguished from any collective action of a collective bargaining agent or other action beyond the individual's control.

(4) (A) Subject to such limitations and conditions as the division may prescribe, an individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible because the individual is attending a training program approved for the individual by the division to enhance the individual's employment opportunities or because the individual failed or refused to accept work while attending such program.

(B) For the purpose of this paragraph (4), any training program shall be regarded as approved by the division for the individual if the program and the individual meet the following requirements:

(i) The training is for a labor demand occupation and is likely to enhance the individual's marketable skills and earning power, except that the training may be for an occupation other than a labor demand occupation if the individual is receiving short-term benefits pursuant to the provisions of P.L. , c. (C.) (pending before the Legislature as this bill) and the training is necessary to prevent a likely loss of jobs;

(ii) The training is provided by a competent and reliable private or public entity approved by the Commissioner of Labor and Workforce Development pursuant to the provisions of section 8 of the "1992 New Jersey Employment and Workforce Development Act," P.L.1992, c.43 (C.34:15D-8);

(iii) The individual can reasonably be expected to complete the program, either during or after the period of benefits;

(iv) The training does not include on the job training or other training under which the individual is paid by an employer for work performed by the individual during the time that the individual receives benefits; and

(v) The individual enrolls in vocational training, remedial education or a combination of both on a full-time basis, except that the training or education may be on a part-time basis if the

individual is receiving short-term benefits pursuant to the provisions of P.L. _____, c. (C. _____) (pending before the Legislature as this bill).

(C) If the requirements of subparagraph (B) of this paragraph (4) are met, the division shall not withhold approval of the training program for the individual for any of the following reasons:

(i) The training includes remedial basic skills education necessary for the individual to successfully complete the vocational component of the training;

(ii) The training is provided in connection with a program under which the individual may obtain a college degree, including a post-graduate degree;

(iii) The length of the training period under the program; or

(iv) The lack of a prior guarantee of employment upon completion of the training.

(D) For the purpose of this paragraph (4), "labor demand occupation" means an occupation for which there is or is likely to be an excess of demand over supply for adequately trained workers, including, but not limited to, an occupation designated as a labor demand occupation by the Center for Occupational Employment Information pursuant to the provisions of subsection d. of section 27 of P.L.2005, c.354 (C.34:1A-86).

(5) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's attendance before a court in response to a summons for service on a jury.

(6) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's attendance at the funeral of an immediate family member, provided that the duration of the attendance does not extend beyond a two-day period.

For purposes of this paragraph, "immediate family member" includes any of the following individuals: father, mother, mother-in-law, father-in-law, grandmother, grandfather, grandchild, spouse, child, child placed by the Division of Youth and Family Services in the Department of Children and Families, sister or brother of the unemployed individual and any relatives of the unemployed individual residing in the unemployed individual's household.

(7) No individual, who is otherwise eligible, shall be deemed ineligible or unavailable for work with respect to any week because, during that week, the individual fails or refuses to accept work while the individual is participating on a full-time basis in self-employment assistance activities authorized by the division, whether or not the individual is receiving a self-employment allowance during that week.

(8) Any individual who is determined to be likely to exhaust regular benefits and need reemployment services based on information obtained by the worker profiling system shall not be eligible to receive benefits if the individual fails to participate in

available reemployment services to which the individual is referred by the division or in similar services, unless the division determines that:

(A) The individual has completed the reemployment services; or

(B) There is justifiable cause for the failure to participate, which shall include participation in employment and training, self-employment assistance activities or other activities authorized by the division to assist reemployment or enhance the marketable skills and earning power of the individual and which shall include any other circumstance indicated pursuant to this section in which an individual is not required to be available for and actively seeking work to receive benefits.

(9) An unemployed individual, who is otherwise eligible, shall not be deemed unavailable for work or ineligible solely by reason of the individual's work as a board worker for a county board of elections on an election day.

(10) An individual who is employed by a shared work employer and is otherwise eligible for benefits shall not be deemed ineligible for short-time benefits because the individual is unavailable for work with employers other than the shared work employer, so long as;

(A) The individual is able to work and is available to work the individual's normal full-time hours for the shared work employer;
or

(B) The individual is attending a training program which is in compliance with the provisions of paragraph (4) of subsection (c) of this section and the agreements and certifications required pursuant to the provisions of section 2 of P.L. , c. (C.) (pending before the Legislature as this bill).

(d) With respect to any benefit year commencing before January 1, 2002, the individual has been totally or partially unemployed for a waiting period of one week in the benefit year which includes that week. When benefits become payable with respect to the third consecutive week next following the waiting period, the individual shall be eligible to receive benefits as appropriate with respect to the waiting period.

With respect to benefit years commencing after June 30, 2010, the individual has been totally or partially unemployed for a waiting period of one week in the benefit year which includes that week, except that there shall be no waiting period if the individual elects, not later than November 1 of the calendar year before the calendar year in which the benefit year commences, to pay an additional contribution of 0.175% of his wages subject to contributions pursuant to R.S.43:21-7(e).

No week shall be counted as a week of unemployment for the purposes of this subsection:

(1) If benefits have been paid, or are payable with respect thereto; provided that the requirements of this paragraph shall be

waived with respect to any benefits paid or payable for a waiting period as provided in this subsection;

(2) If it has constituted a waiting period week under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.);

(3) Unless the individual fulfills the requirements of subsections (a) and (c) of this section;

(4) If with respect thereto, claimant was disqualified for benefits in accordance with the provisions of subsection (d) of R.S.43:21-5.

The waiting period provided by this subsection shall not apply to benefit years commencing on or after January 1, 2002. An individual whose total benefit amount was reduced by the application of the waiting period to a claim which occurred on or after January 1, 2002 and before the effective date of P.L.2002, c.13, shall be permitted to file a claim for the additional benefits attributable to the waiting period in the form and manner prescribed by the division, but not later than the 180th day following the effective date of P.L.2002, c.13 unless the division determines that there is good cause for a later filing.

(e) (1) (Deleted by amendment, P.L.2001, c.17).

(2) (Deleted by amendment, P.L.2008, c.17).

(3) (Deleted by amendment, P.L.2008, c.17).

(4) With respect to benefit years commencing on or after January 7, 2001, except as otherwise provided in paragraph (5) of this subsection, the individual has, during his base year as defined in subsection (c) of R.S.43:21-19:

(A) Established at least 20 base weeks as defined in paragraphs (2) and (3) of subsection (t) of R.S.43:21-19; or

(B) If the individual has not met the requirements of subparagraph (A) of this paragraph (4), earned remuneration not less than an amount 1,000 times the minimum wage in effect pursuant to section 5 of P.L.1966, c.113 (C.34:11-56a4) on October 1 of the calendar year preceding the calendar year in which the benefit year commences, which amount shall be adjusted to the next higher multiple of \$100 if not already a multiple thereof.

(5) With respect to benefit years commencing on or after January 7, 2001, notwithstanding the provisions of paragraph (4) of this subsection, an unemployed individual claiming benefits on the basis of service performed in the production and harvesting of agricultural crops shall, subject to the limitations of subsection (i) of R.S.43:21-19, be eligible to receive benefits if during his base year, as defined in subsection (c) of R.S.43:21-19, the individual:

(A) Has established at least 20 base weeks as defined in paragraphs (2) and (3) of subsection (t) of R.S.43:21-19; or

(B) Has earned remuneration not less than an amount 1,000 times the minimum wage in effect pursuant to section 5 of P.L.1966, c.113 (C.34:11-56a4) on October 1 of the calendar year preceding the calendar year in which the benefit year commences,

which amount shall be adjusted to the next higher multiple of \$100 if not already a multiple thereof; or

(C) Has performed at least 770 hours of service in the production and harvesting of agricultural crops.

(6) The individual applying for benefits in any successive benefit year has earned at least six times his previous weekly benefit amount and has had four weeks of employment since the beginning of the immediately preceding benefit year. This provision shall be in addition to the earnings requirements specified in paragraph (4) or (5) of this subsection, as applicable.

(f) (1) The individual has suffered any accident or sickness not compensable under the workers' compensation law, R.S.34:15-1 et seq. and resulting in the individual's total disability to perform any work for remuneration, and would be eligible to receive benefits under this chapter (R.S.43:21-1 et seq.) (without regard to the maximum amount of benefits payable during any benefit year) except for the inability to work and has furnished notice and proof of claim to the division, in accordance with its rules and regulations, and payment is not precluded by the provisions of R.S.43:21-3(d); provided, however, that benefits paid under this subsection (f) shall be computed on the basis of only those base year wages earned by the claimant as a "covered individual," as defined in subsection (b) of section 3 of P.L.1948, c.110 (C.43:21-27); provided further that no benefits shall be payable under this subsection to any individual:

(A) For any period during which such individual is not under the care of a legally licensed physician, dentist, optometrist, podiatrist, practicing psychologist, advanced practice nurse, or chiropractor, who, when requested by the division, shall certify within the scope of the practitioner's practice, the disability of the individual, the probable duration thereof, and, where applicable, the medical facts within the practitioner's knowledge;

(B) (Deleted by amendment, P.L.1980, c.90.)

(C) For any period of disability due to willfully or intentionally self-inflicted injury, or to injuries sustained in the perpetration by the individual of a crime of the first, second or third degree;

(D) For any week with respect to which or a part of which the individual has received or is seeking benefits under any unemployment compensation or disability benefits law of any other state or of the United States; provided that if the appropriate agency of such other state or the United States finally determines that the individual is not entitled to such benefits, this disqualification shall not apply;

(E) For any week with respect to which or part of which the individual has received or is seeking disability benefits under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.);

(F) For any period of disability commencing while such individual is a "covered individual," as defined in subsection (b) of

section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27).

(2) The individual is taking family temporary disability leave to provide care for a family member with a serious health condition or to be with a child during the first 12 months after the child's birth or placement of the child for adoption with the individual, and the individual would be eligible to receive benefits under R.S.43:21-1 et seq. (without regard to the maximum amount of benefits payable during any benefit year) except for the individual's unavailability for work while taking the family temporary disability leave, and the individual has furnished notice and proof of claim to the division, in accordance with its rules and regulations, and payment is not precluded by the provisions of R.S.43:21-3(d) provided, however, that benefits paid under this subsection (f) shall be computed on the basis of only those base year wages earned by the claimant as a "covered individual," as defined in subsection (b) of section 3 of P.L.1948, c.110 (C.43:21-27); provided further that no benefits shall be payable under this subsection to any individual:

(A) For any week with respect to which or a part of which the individual has received or is seeking benefits under any unemployment compensation or disability benefits law of any other state or of the United States; provided that if the appropriate agency of such other state or the United States finally determines that the individual is not entitled to such benefits, this disqualification shall not apply;

(B) For any week with respect to which or part of which the individual has received or is seeking disability benefits for a disability of the individual under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.);

(C) For any period of family temporary disability leave commencing while the individual is a "covered individual," as defined in subsection (b) of section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27); or

(D) For any period of family temporary disability leave for a serious health condition of a family member of the claimant during which the family member is not receiving inpatient care in a hospital, hospice, or residential medical care facility and is not subject to continuing medical treatment or continuing supervision by a health care provider, who, when requested by the division, shall certify within the scope of the provider's practice, the serious health condition of the family member, the probable duration thereof, and, where applicable, the medical facts within the provider's knowledge.

(3) Benefit payments under this subsection (f) shall be charged to and paid from the State disability benefits fund established by the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.), and shall not be charged to any employer account in computing any employer's experience rate for contributions payable under this chapter.

(g) Benefits based on service in employment defined in subparagraphs (B) and (C) of R.S.43:21-19 (i)(1) shall be payable in the same amount and on the terms and subject to the same conditions as benefits payable on the basis of other service subject to the "unemployment compensation law"; except that, notwithstanding any other provisions of the "unemployment compensation law":

(1) With respect to service performed after December 31, 1977, in an instructional research, or principal administrative capacity for an educational institution, benefits shall not be paid based on such services for any week of unemployment commencing during the period between two successive academic years, or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, to any individual if such individual performs such services in the first of such academic years (or terms) and if there is a contract or a reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms;

(2) With respect to weeks of unemployment beginning after September 3, 1982, on the basis of service performed in any other capacity for an educational institution, benefits shall not be paid on the basis of such services to any individual for any week which commences during a period between two successive academic years or terms if such individual performs such services in the first of such academic years or terms and there is a reasonable assurance that such individual will perform such services in the second of such academic years or terms, except that if benefits are denied to any individual under this paragraph (2) and the individual was not offered an opportunity to perform these services for the educational institution for the second of any academic years or terms, the individual shall be entitled to a retroactive payment of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of this clause;

(3) With respect to those services described in paragraphs (1) and (2) above, benefits shall not be paid on the basis of such services to any individual for any week which commences during an established and customary vacation period or holiday recess if such individual performs such services in the period immediately before such vacation period or holiday recess, and there is a reasonable assurance that such individual will perform such services in the period immediately following such period or holiday recess;

(4) With respect to any services described in paragraphs (1) and (2) above, benefits shall not be paid as specified in paragraphs (1), (2), and (3) above to any individual who performed those services in an educational institution while in the employ of an educational service agency, and for this purpose the term "educational service agency" means a governmental agency or governmental entity

which is established and operated exclusively for the purpose of providing those services to one or more educational institutions.

(h) Benefits shall not be paid to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which commences during the period between two successive sports seasons (or similar periods) if such individual performed such services in the first of such seasons (or similar periods) and there is a reasonable assurance that such individual will perform such services in the later of such seasons (or similar periods).

(i) (1) Benefits shall not be paid on the basis of services performed by an alien unless such alien is an individual who was lawfully admitted for permanent residence at the time the services were performed and was lawfully present for the purpose of performing the services or otherwise was permanently residing in the United States under color of law at the time the services were performed (including an alien who is lawfully present in the United States as a result of the application of the provisions of section 212(d)(5) (8 U.S.C. s.1182 (d)(5)) of the Immigration and Nationality Act (8 U.S.C. s.1101 et seq.)); provided that any modifications of the provisions of section 3304(a)(14) of the Federal Unemployment Tax Act (28 U.S.C. s.3304 (a)(14)), as provided by Pub.L.94-566, which specify other conditions or other effective dates than stated herein for the denial of benefits based on services performed by aliens and which modifications are required to be implemented under State law as a condition for full tax credit against the tax imposed by the Federal Unemployment Tax Act, shall be deemed applicable under the provisions of this section.

(2) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(3) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of alien status shall be made except upon a preponderance of the evidence.

(j) Notwithstanding any other provision of this chapter, the director may, to the extent that it may be deemed efficient and economical, provide for consolidated administration by one or more representatives or deputies of claims made pursuant to subsection (f) of this section with those made pursuant to Article III (State plan) of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.).

(cf: P.L. 2008, c.17, s.14)

12. R.S.43:21-5 is amended to read as follows:

43:21-5 Disqualification for benefits.

An individual shall be disqualified for benefits:

(a) For the week in which the individual has left work voluntarily without good cause attributable to such work, and for each week thereafter until the individual becomes reemployed and works four weeks in employment, which may include employment for the federal government, and has earned in employment at least six times the individual's weekly benefit rate, as determined in each case. This subsection shall apply to any individual seeking unemployment benefits on the basis of employment in the production and harvesting of agricultural crops, including any individual who was employed in the production and harvesting of agricultural crops on a contract basis and who has refused an offer of continuing work with that employer following the completion of the minimum period of work required to fulfill the contract.

(b) For the week in which the individual has been suspended or discharged for misconduct connected with the work, [and for the five weeks which immediately follow that week, as determined in each case] and for each week thereafter until the individual becomes reemployed and works four weeks in employment, which may include employment for the federal government, and has earned in employment at least six times the individual's weekly benefit rate, as determined in each case. In the event the discharge should be rescinded by the employer voluntarily or as a result of mediation or arbitration, this subsection (b) shall not apply, provided, however, an individual who is restored to employment with back pay shall return any benefits received under this chapter for any week of unemployment for which the individual is subsequently compensated by the employer.

If the discharge was for gross misconduct connected with the work because of the commission of an act punishable as a crime of the first, second, third or fourth degree under the "New Jersey Code of Criminal Justice," N.J.S.2C:1-1 et seq., the individual shall be disqualified in accordance with the disqualification prescribed in subsection (a) of this section and no benefit rights shall accrue to any individual based upon wages from that employer for services rendered prior to the day upon which the individual was discharged.

The director shall insure that any appeal of a determination holding the individual disqualified for gross misconduct in connection with the work shall be expeditiously processed by the appeal tribunal.

(c) If it is found that the individual has failed, without good cause, either to apply for available, suitable work when so directed by the employment office or the director or to accept suitable work when it is offered, or to return to the individual's customary self-employment (if any) when so directed by the director. The disqualification shall continue for the week in which the failure occurred and for the three weeks which immediately follow that week, as determined:

(1) In determining whether or not any work is suitable for an individual, consideration shall be given to the degree of risk

involved to health, safety, and morals, the individual's physical fitness and prior training, experience and prior earnings, the individual's length of unemployment and prospects for securing local work in the individual's customary occupation, and the distance of the available work from the individual's residence. In the case of work in the production and harvesting of agricultural crops, the work shall be deemed to be suitable without regard to the distance of the available work from the individual's residence if all costs of transportation are provided to the individual and the terms and conditions of hire are as favorable or more favorable to the individual as the terms and conditions of the individual's base year employment.

(2) Notwithstanding any other provisions of this chapter, no work shall be deemed suitable and benefits shall not be denied under this chapter to any otherwise eligible individual for refusing to accept new work under any of the following conditions: the position offered is vacant due directly to a strike, lockout, or other labor dispute; the remuneration, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; or, the individual, as a condition of being employed, would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

(d) If it is found that this unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment or other premises at which the individual is or was last employed.

(1) No disqualification under this subsection (d) shall apply if it is shown that:

(a) The individual is not participating in or financing or directly interested in the labor dispute which caused the stoppage of work; and

(b) The individual does not belong to a grade or class of workers of which, immediately before the commencement of the stoppage, there were members employed at the premises at which the stoppage occurs, any of whom are participating in or financing or directly interested in the dispute; provided that if in any case in which (a) or (b) above applies, separate branches of work which are commonly conducted as separate businesses in separate premises are conducted in separate departments of the same premises, each department shall, for the purpose of this subsection, be deemed to be a separate factory, establishment, or other premises.

(2) For any claim for a period of unemployment commencing on or after December 1, 2004, no disqualification under this subsection (d) shall apply if it is shown that the individual has been prevented from working by the employer, even though the individual's recognized or certified majority representative has directed the employees in the individual's collective bargaining unit to work under the preexisting terms and conditions of employment, and the

employees had not engaged in a strike immediately before being prevented from working.

(e) For any week with respect to which the individual is receiving or has received remuneration in lieu of notice.

(f) For any week with respect to which or a part of which the individual has received or is seeking unemployment benefits under an unemployment compensation law of any other state or of the United States; provided that if the appropriate agency of the other state or of the United States finally determines that the individual is not entitled to unemployment benefits, this disqualification shall not apply.

(g) (1) For a period of one year from the date of the discovery by the division of the illegal receipt or attempted receipt of benefits contrary to the provisions of this chapter, as the result of any false or fraudulent representation; provided that any disqualification may be appealed in the same manner as any other disqualification imposed hereunder; and provided further that a conviction in the courts of this State arising out of the illegal receipt or attempted receipt of these benefits in any proceeding instituted against the individual under the provisions of this chapter or any other law of this State shall be conclusive upon the appeals tribunal and the board of review.

(2) A disqualification under this subsection shall not preclude the prosecution of any civil, criminal or administrative action or proceeding to enforce other provisions of this chapter for the assessment and collection of penalties or the refund of any amounts collected as benefits under the provisions of R.S.43:21-16, or to enforce any other law, where an individual obtains or attempts to obtain by theft or robbery or false statements or representations any money from any fund created or established under this chapter or any negotiable or nonnegotiable instrument for the payment of money from these funds, or to recover money erroneously or illegally obtained by an individual from any fund created or established under this chapter.

(h) (1) Notwithstanding any other provisions of this chapter (R.S.43:21-1 et seq.), no otherwise eligible individual shall be denied benefits for any week because the individual is in training approved under section 236(a)(1) of the "Trade Act of 1974," Pub.L.93-618 (19 U.S.C. s.2296 (a)(1)) nor shall the individual be denied benefits by reason of leaving work to enter this training, provided the work left is not suitable employment, or because of the application to any week in training of provisions in this chapter (R.S.43:21-1 et seq.), or any applicable federal unemployment compensation law, relating to availability for work, active search for work, or refusal to accept work.

(2) For purposes of this subsection (h), the term "suitable" employment means, with respect to an individual, work of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the

"Trade Act of 1974," Pub.L.93-618 (19 U.S.C. s.2101 et seq.) and wages for this work at not less than 80% of the individual's average weekly wage, as determined for the purposes of the "Trade Act of 1974."

(i) For benefit years commencing after June 30, 1984, for any week in which the individual is a student in full attendance at, or on vacation from, an educational institution, as defined in subsection (y) of R.S.43:21-19; except that this subsection shall not apply to any individual attending a training program approved by the division to enhance the individual's employment opportunities, as defined under subsection (c) of R.S.43:21-4; nor shall this subsection apply to any individual who, during the individual's base year, earned sufficient wages, as defined under subsection (e) of R.S.43:21-4, while attending an educational institution during periods other than established and customary vacation periods or holiday recesses at the educational institution, to establish a claim for benefits. For purposes of this subsection, an individual shall be treated as a full-time student for any period:

(1) During which the individual is enrolled as a full-time student at an educational institution, or

(2) Which is between academic years or terms, if the individual was enrolled as a full-time student at an educational institution for the immediately preceding academic year or term.

(j) Notwithstanding any other provisions of this chapter (R.S.43:21-1 et seq.), no otherwise eligible individual shall be denied benefits because the individual left work or was discharged due to circumstances resulting from the individual being a victim of domestic violence as defined in section 3 of P.L.1991, c.261 (C.2C:25-19). No employer's account shall be charged for the payment of benefits to an individual who left work due to circumstances resulting from the individual being a victim of domestic violence.

For the purposes of this subsection (j), the individual shall be treated as being a victim of domestic violence if the individual provides one or more of the following:

(1) A restraining order or other documentation of equitable relief issued by a court of competent jurisdiction;

(2) A police record documenting the domestic violence;

(3) Documentation that the perpetrator of the domestic violence has been convicted of one or more of the offenses enumerated in section 3 of P.L.1991, c.261 (C.2C:25-19);

(4) Medical documentation of the domestic violence;

(5) Certification from a certified Domestic Violence Specialist or the director of a designated domestic violence agency that the individual is a victim of domestic violence; or

(6) Other documentation or certification of the domestic violence provided by a social worker, member of the clergy, shelter worker or other professional who has assisted the individual in dealing with the domestic violence.

For the purposes of this subsection (j):

"Certified Domestic Violence Specialist" means a person who has fulfilled the requirements of certification as a Domestic Violence Specialist established by the New Jersey Association of Domestic Violence Professionals; and "designated domestic violence agency" means a county-wide organization with a primary purpose to provide services to victims of domestic violence, and which provides services that conform to the core domestic violence services profile as defined by the Division of Youth and Family Services in the Department of Children and Families and is under contract with the division for the express purpose of providing such services.

(k) Notwithstanding any other provisions of this chapter (R.S. 43:21-1 et seq.), no otherwise eligible individual shall be denied benefits for any week in which the individual left work voluntarily and without good cause attributable to the work, if the individual left work to accompany his or her spouse who is an active member of the United States Armed Forces, as defined in N.J.S.38A:1-1(g), to a new place of residence outside the State, due to the armed forces member's transfer to a new assignment in a different geographical location outside the State, and the individual moves to the new place of residence not more than nine months after the spouse is transferred, and upon arrival at the new place of residence the individual was in all respects available for suitable work. No employer's account shall be charged for the payment of benefits to an individual who left work under the circumstances contained in this subsection (k), except that this shall not be construed as relieving the State of New Jersey and any other governmental entity or instrumentality or nonprofit organization electing or required to make payments in lieu of contributions from its responsibility to make all benefit payments otherwise required by law and from being charged for those benefits as otherwise required by law.

(cf: P.L. 2007, c.162)

13. R.S.43:21-7 is amended to read as follows:

43:21-7. Contributions. Employers other than governmental entities, whose benefit financing provisions are set forth in section 4 of P.L.1971, c.346 (C.43:21-7.3), and those nonprofit organizations liable for payment in lieu of contributions on the basis set forth in section 3 of P.L.1971, c.346 (C.43:21-7.2), shall pay to the controller for the unemployment compensation fund, contributions as set forth in subsections (a), (b) and (c) hereof, and the provisions of subsections (d) and (e) shall be applicable to all employers, consistent with the provisions of the "unemployment compensation law" and the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.).

(a) Payment.

(1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this

chapter (R.S.43:21-1 et seq.), with respect to having individuals in his employ during that calendar year, at the rates and on the basis hereinafter set forth. Such contributions shall become due and be paid by each employer to the controller for the fund, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to \$0.005 or more, in which case it shall be increased to \$0.01.

(b) Rate of contributions. Each employer shall pay the following contributions:

(1) For the calendar year 1947, and each calendar year thereafter, 2 7/10% of wages paid by him during each such calendar year, except as otherwise prescribed by subsection (c) of this section.

(2) The "wages" of any individual, with respect to any one employer, as the term is used in this subsection (b) and in subsections (c), (d) and (e) of this section 7, shall include the first \$4,800.00 paid during calendar year 1975, for services performed either within or without this State; provided that no contribution shall be required by this State with respect to services performed in another state if such other state imposes contribution liability with respect thereto. If an employer (hereinafter referred to as a successor employer) during any calendar year acquires substantially all the property used in a trade or business of another employer (hereinafter referred to as a predecessor), or used in a separate unit of a trade or business of a predecessor, and immediately after the acquisition employs in his trade or business an individual who immediately prior to the acquisition was employed in the trade or business of such predecessors, then, for the purpose of determining whether the successor employer has paid wages with respect to employment equal to the first \$4,800.00 paid during calendar year 1975, any wages paid to such individual by such predecessor during such calendar year and prior to such acquisition shall be considered as having been paid by such successor employer.

(3) For calendar years beginning on and after January 1, 1976, the "wages" of any individual, as defined in the preceding paragraph (2) of this subsection (b), shall be established and promulgated by the Commissioner of Labor and Workforce Development on or before September 1 of the preceding year and shall be, 28 times the Statewide average weekly remuneration paid to workers by employers, as determined under R.S.43:21-3(c), raised to the next higher multiple of \$100.00 if not already a multiple thereof, provided that if the amount of wages so determined for a calendar year is less than the amount similarly determined for the preceding year, the greater amount will be used; provided, further, that if the amount of such wages so determined does not equal or exceed the amount of wages as defined in

subsection (b) of section 3306 of the [Federal Unemployment Tax Act, Chapter 23 of the] Internal Revenue Code of 1986 (26 U.S.C. s.3306(b)), the wages as determined in this paragraph in any calendar year shall be raised to equal the amount established under the “Federal Unemployment Tax Act,” chapter 23 of the Internal Revenue Code of 1986 (26 U.S.C. s.3301 et seq.), for that calendar year.

(c) Future rates based on benefit experience.

(1) A separate account for each employer shall be maintained and this shall be credited with all the contributions which he has paid on his own behalf on or before January 31 of any calendar year with respect to employment occurring in the preceding calendar year; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday, an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this chapter (R.S.43:21-1 et seq.) shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him into the fund either on his own behalf or on behalf of such individuals. Benefits paid with respect to benefit years commencing on and after January 1, 1953, to any individual on or before December 31 of any calendar year with respect to unemployment in such calendar year and in preceding calendar years shall be charged against the account or accounts of the employer or employers in whose employment such individual established base weeks constituting the basis of such benefits, except that, with respect to benefit years commencing after January 4, 1998, an employer's account shall not be charged for benefits paid to a claimant if the claimant's employment by that employer was ended in any way which, pursuant to subsection (a), (b), (c), (f), (g) or (h) of R.S.43:21-5, would have disqualified the claimant for benefits if the claimant had applied for benefits at the time when that employment ended. Benefits paid under a given benefit determination shall be charged against the account of the employer to whom such determination relates. When each benefit payment is made, either a copy of the benefit check or other form of notification shall be promptly sent to the employer against whose account the benefits are to be charged. Such copy or notification shall identify the employer against whose account the amount of such payment is being charged, shall show at least the name and social security account number of the claimant and shall specify the period of unemployment to which said check applies.

Each employer shall be furnished an annual summary statement of benefits charged to his account.

(2) Regulations may be prescribed for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account,

or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(3) No employer's rate shall be lower than 5.4% unless assignment of such lower rate is consistent with the conditions applicable to additional credit allowance for such year under section 3303(a)(1) of the Internal Revenue Code of 1986 (26 U.S.C. s.3303(a)(1)), any other provision of this section to the contrary notwithstanding.

(4) Employer Reserve Ratio. (A) Each employer's rate shall be $2 \frac{8}{10}\%$, except as otherwise provided in the following provisions. No employer's rate for the 12 months commencing July 1 of any calendar year shall be other than $2 \frac{8}{10}\%$, unless as of the preceding January 31 such employer shall have paid contributions with respect to wages paid in each of the three calendar years immediately preceding such year, in which case such employer's rate for the 12 months commencing July 1 of any calendar year shall be determined on the basis of his record up to the beginning of such calendar year. If, at the beginning of such calendar year, the total of all his contributions, paid on his own behalf, for all past years exceeds the total benefits charged to his account for all such years, his contribution rate shall be:

(1) $2 \frac{5}{10}\%$, if such excess equals or exceeds 4%, but less than 5%, of his average annual payroll (as defined in paragraph (2), subsection (a) of R.S.43:21-19);

(2) $2 \frac{2}{10}\%$, if such excess equals or exceeds 5%, but is less than 6%, of his average annual payroll;

(3) $1 \frac{9}{10}\%$, if such excess equals or exceeds 6%, but is less than 7%, of his average annual payroll;

(4) $1 \frac{6}{10}\%$, if such excess equals or exceeds 7%, but is less than 8%, of his average annual payroll;

(5) $1 \frac{3}{10}\%$, if such excess equals or exceeds 8%, but is less than 9%, of his average annual payroll;

(6) 1%, if such excess equals or exceeds 9%, but is less than 10%, of his average annual payroll;

(7) $\frac{7}{10}$ of 1%, if such excess equals or exceeds 10%, but is less than 11%, of his average annual payroll;

(8) $\frac{4}{10}$ of 1%, if such excess equals or exceeds 11% of his average annual payroll.

(B) If the total of an employer's contributions, paid on his own behalf, for all past periods for the purposes of this paragraph (4), is less than the total benefits charged against his account during the same period, his rate shall be:

(1) 4%, if such excess is less than 10% of his average annual payroll;

(2) $4 \frac{3}{10}\%$, if such excess equals or exceeds 10%, but is less than 20%, of his average annual payroll;

(3) $4 \frac{6}{10}\%$, if such excess equals or exceeds 20% of his average annual payroll.

(C) Specially assigned rates.

(i) If no contributions were paid on wages for employment in any calendar year used in determining the average annual payroll of an employer eligible for an assigned rate under this paragraph (4), the employer's rate shall be specially assigned as follows:

if the reserve balance in its account is positive, its assigned rate shall be the highest rate in effect for positive balance accounts for that period, or 5.4%, whichever is higher, and

if the reserve balance in its account is negative, its assigned rate shall be the highest rate in effect for deficit accounts for that period.

(ii) If, following the purchase of a corporation with little or no activity, known as a corporate shell, the resulting employing unit operates a new or different business activity, the employing unit shall be assigned a new employer rate.

(iii) Entities operating under common ownership, management or control, when the operation of the entities is not identifiable, distinguishable and severable, shall be considered a single employer for the purposes of this chapter (R.S.43:21-1 et seq.).

(D) The contribution rates prescribed by subparagraphs (A) and (B) of this paragraph (4) shall be increased or decreased in accordance with the provisions of paragraph (5) of this subsection (c) for experience rating periods through June 30, 1986.

(5) (A) Unemployment Trust Fund Reserve Ratio. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 4% but is less than 7% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 3/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection. If on March 31 of any calendar year the balance of the unemployment trust fund exceeds 2 1/2% but is less than 4% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3) or (4) of this subsection.

If on March 31 of any calendar year the balance of the unemployment trust fund is less than 2 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer: (1) eligible for a contribution rate calculation based upon benefit experience, shall be increased by (i) 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (3), (4)(A) or (4)(B) of this subsection, and (ii) an additional amount equal to 20% of the

total rate established herein, provided, however, that the final contribution rate for each employer shall be computed to the nearest multiple of 1/10% if not already a multiple thereof; (2) not eligible for a contribution rate calculation based upon benefit experience, shall be increased by 6/10 of 1% over the contribution rate otherwise established under the provisions of paragraph (4) of this subsection. For the period commencing July 1, 1984 and ending June 30, 1986, the contribution rate for each employer liable to pay contributions under R.S.43:21-7 shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(B) If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 10% but is less than 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%. If on March 31 of any calendar year the balance in the unemployment trust fund equals or exceeds 12 1/2% of the total taxable wages reported to the controller as of that date in respect to employment during the preceding calendar year, the contribution rate, effective July 1 following, of each employer eligible for a contribution rate calculation based upon benefit experience, shall be reduced by 6/10 of 1% if his account for all past periods reflects an excess of contributions paid over total benefits charged of 3% or more of his average annual payroll, otherwise by 3/10 of 1% under the contribution rate otherwise established under the provisions of paragraphs (3) and (4) of this subsection; provided that in no event shall the contribution rate of any employer be reduced to less than 4/10 of 1%.

(C) The "balance" in the unemployment trust fund, as the term is used in subparagraphs (A) and (B) above, shall not include moneys credited to the State's account under section 903 of the Social Security Act, as amended (42 U.S.C. s.1103), during any period in which such moneys are appropriated for the payment of expenses incurred in the administration of the "unemployment compensation law."

(D) Prior to July 1 of each calendar year the controller shall determine the Unemployment Trust Reserve Ratio, which shall be calculated by dividing the balance of the unemployment trust fund as of the prior March 31 by total taxable wages reported to the controller by all employers as of March 31 with respect to their employment during the last calendar year.

(v) (Deleted by amendment, P.L.2008, c.17).

(vi) With respect to experience rating years beginning on or after July 1, 2004, the new employer rate or the unemployment experience rate of an employer under this section shall be the rate which appears in the column headed by the Unemployment Trust Fund Reserve Ratio as of the applicable calculation date and on the line with the Employer Reserve Ratio, as defined in paragraph (4) of this subsection (R.S.43:21-7 (c)(4)), as set forth in the following table:

¹Fund balance as of March 31 as a percentage of taxable wages in the prior calendar year.

²Employer Reserve Ratio (Contributions minus benefits as a percentage of employer's taxable wages).

(F) (i) (Deleted by amendment, P.L.1997, c.263).

(ii) (Deleted by amendment, P.L.2008, c.17).

(iii) With respect to experience rating years beginning on or after July 1, 2004, if the fund reserve ratio, based on the fund balance as of the prior March 31, is less than 0.50%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be increased by a factor of 10% computed to the nearest multiple of 1/10% if not already a multiple thereof.

(G) On or after January 1, 1993, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.1%, except that, during any experience rating year starting before January 1, 1998 in which the fund reserve ratio is equal to or greater than 7.00% or during any experience rating year starting on or after January 1, 1998, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (G) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under.

(H) On and after January 1, 1998 until December 31, 2000 and on or after January 1, 2002 until June 30, 2006, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by a factor, as set out below, computed to the nearest multiple of 1/10%, except that, if an employer has a deficit reserve ratio of negative 35.0% or under, the employer's rate of contribution shall not be reduced pursuant to this subparagraph (H) to less than 5.4%:

From January 1, 1998 until December 31, 1998, a factor of 12%;

From January 1, 1999 until December 31, 1999, a factor of 10%;

From January 1, 2000 until December 31, 2000, a factor of 7%;

From January 1, 2002 until March 31, 2002, a factor of 36%;

From April 1, 2002 until June 30, 2002, a factor of 85%;

From July 1, 2002 until June 30, 2003, a factor of 15%;

From July 1, 2003 until June 30, 2004, a factor of 15%;

From July 1, 2004 until June 30, 2005, a factor of 7%;

From July 1, 2005 until December 31, 2005, a factor of 16%; and

From January 1, 2006 until June 30, 2006, a factor of 34%.

The amount of the reduction in the employer contributions stipulated by this subparagraph (H) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraph (G) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this

subparagraph (H) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(I) (Deleted by amendment, P.L.2008, c.17).

(J) On or after July 1, 2001, notwithstanding any other provisions of this paragraph (5), the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be decreased by 0.0175%, except that, during any experience rating year starting on or after July 1, 2001, in which the fund reserve ratio is equal to or greater than 3.5%, there shall be no decrease pursuant to this subparagraph (J) in the contribution of any employer who has a deficit reserve ratio of negative 35.00% or under. The amount of the reduction in the employer contributions stipulated by this subparagraph (J) shall be in addition to the amount of the reduction in the employer contributions stipulated by subparagraphs (G) and (H) of this paragraph (5), except that the rate of contribution of an employer who has a deficit reserve ratio of negative 35.0% or under shall not be reduced pursuant to this subparagraph (J) to less than 5.4% and the rate of contribution of any other employer shall not be reduced to less than 0.0%.

(K) With respect to experience rating years beginning on or after July 1, 2009, if the fund reserve ratio, based on the fund balance as of the prior March 31, is:

[(1)] (i) Equal to or greater than 5.00% but less than 7.5%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 25% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under[.]

;

[(2)] (ii) Equal to or greater than 7.5% but less than 10.0%, the contribution rate for each employer liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be reduced by a factor of 50% computed to the nearest multiple of 1/10% if not already a multiple thereof except that there shall be no decrease pursuant to this subparagraph (K) in the contribution of any employer who has a deficit reserve ratio of 35.00% or under.

(L) Notwithstanding any other provisions of this paragraph (5) and notwithstanding the actual fund reserve ratio, the contribution rate for employers liable to pay contributions, as computed under subparagraph (E) of this paragraph (5), shall be: for fiscal year 2011, the rates set by column "C" of the table in that subparagraph; for fiscal year 2012, the rates set by column "D" of the table in that paragraph; for fiscal year 2013, the rates set by column "E" of the table in that paragraph, plus the 10% increase required by subparagraph (F) of this paragraph (5), except that if the fund reserve ratio used in determining the column for any one of those years results in the selection of a column with lower tax rates than

the column indicated for that year in this paragraph, the column with the lower rates shall apply.

(6) Additional contributions.

Notwithstanding any other provision of law, any employer who has been assigned a contribution rate pursuant to subsection (c) of this section for the year commencing July 1, 1948, and for any year commencing July 1 thereafter, may voluntarily make payment of additional contributions, and upon such payment shall receive a recomputation of the experience rate applicable to such employer, including in the calculation the additional contribution so made, except that, following a transfer as described under R.S.43:21-7(c)(7)(D), neither the predecessor nor successor in interest shall be eligible to make a voluntary payment of additional contributions during the year the transfer occurs and the next full calendar year. Any such additional contribution shall be made during the 30-day period following the date of the mailing to the employer of the notice of his contribution rate as prescribed in this section, unless, for good cause, the time for payment has been extended by the controller for not to exceed an additional 60 days; provided that in no event may such payments which are made later than 120 days after the beginning of the year for which such rates are effective be considered in determining the experience rate for the year in which the payment is made. Any employer receiving any extended period of time within which to make such additional payment and failing to make such payment timely shall be, in addition to the required amount of additional payment, liable for a penalty of 5% thereof or \$5.00, whichever is greater, not to exceed \$50.00. Any adjustment under this subsection shall be made only in the form of credits against accrued or future contributions.

(7) Transfers.

(A) Upon the transfer of the organization, trade or business, or substantially all the assets of an employer to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, the controller shall transfer the employment experience of the predecessor employer to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer, pursuant to regulation, if it is determined that the employment experience of the predecessor employer with respect to the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. The successor in interest may, within four months of the date of such transfer of the organization, trade, assets or business, or thereafter upon good cause shown, request a reconsideration of the transfer of employment experience of the predecessor employer. The request for reconsideration shall demonstrate, to the satisfaction of the controller, that the employment experience of the predecessor is not indicative of the future employment experience of the successor.

(B) An employer who transfers part of his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise, may jointly make application with such successor in interest for transfer of that portion of the employment experience of the predecessor employer relating to the portion of the organization, trade, assets or business transferred to the successor in interest, including credit for past years, contributions paid, annual payrolls, benefit charges, et cetera, applicable to such predecessor employer. The transfer of employment experience may be allowed pursuant to regulation only if it is found that the employment experience of the predecessor employer with respect to the portion of the organization, trade, assets or business which has been transferred may be considered indicative of the future employment experience of the successor in interest. Credit shall be given to the successor in interest only for the years during which contributions were paid by the predecessor employer with respect to that part of the organization, trade, assets or business transferred.

(C) A transfer of the employment experience in whole or in part having become final, the predecessor employer thereafter shall not be entitled to consideration for an adjusted rate based upon his or its experience or the part thereof, as the case may be, which has thus been transferred. A successor in interest to whom employment experience or a part thereof is transferred pursuant to this subsection shall, as of the date of the transfer of the organization, trade, assets or business, or part thereof, immediately become an employer if not theretofore an employer subject to this chapter (R.S.43:21-1 et seq.).

(D) If an employer transfers in whole or in part his or its organization, trade, assets or business to a successor in interest, whether by merger, consolidation, sale, transfer, descent or otherwise and both the employer and successor in interest are at the time of the transfer under common ownership, management or control, then the employment experience attributable to the transferred business shall also be transferred to and combined with the employment experience of the successor in interest. The transfer of the employment experience is mandatory and not subject to appeal or protest.

(E) The transfer of part of an employer's employment experience to a successor in interest shall become effective as of the first day of the calendar quarter following the acquisition by the successor in interest. As of the effective date, the successor in interest shall have its employer rate recalculated by merging its existing employment experience, if any, with the employment experience acquired. If the successor in interest is not an employer as of the date of acquisition, it shall be assigned the new employer rate until the effective date of the transfer of employment experience.

(F) Upon the transfer in whole or in part of the organization, trade, assets or business to a successor in interest, the employment

experience shall not be transferred if the successor in interest is not an employer at the time of the acquisition and the controller finds that the successor in interest acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions.

(d) Contributions of workers to the unemployment compensation fund and the State disability benefits fund.

(1) (A) For periods after January 1, 1975, each worker shall contribute to the fund 1% of his wages with respect to his employment with an employer, which occurs on and after January 1, 1975, after such employer has satisfied the condition set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer; provided, however, that such contributions shall be at the rate of 1/2 of 1% of wages paid with respect to employment while the worker is in the employ of the State of New Jersey, or any governmental entity or instrumentality which is an employer as defined under R.S.43:21-19(h)(5), or is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31).

(B) Effective January 1, 1978 there shall be no contributions by workers in the employ of any governmental or nongovernmental employer electing or required to make payments in lieu of contributions unless the employer is covered by the State plan under the "Temporary Disability Benefits Law" (C.43:21-25 et al.), and in that case contributions shall be at the rate of 1/2 of 1%, except that commencing July 1, 1986, workers in the employ of any nongovernmental employer electing or required to make payments in lieu of contributions shall be required to make contributions to the fund at the same rate prescribed for workers of other nongovernmental employers.

(C) (i) Notwithstanding the above provisions of this paragraph (1), during the period starting July 1, 1986 and ending December 31, 1992, each worker shall contribute to the fund 1.125% of wages paid with respect to his employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under R.S.43:21-19(h)(6), regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection R.S.43:21-19(h) with respect to becoming an employer. Contributions, however, shall be at the rate of 0.625% while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law" or while the worker is exempt under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that such contributions shall be at the rate of 0.625% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or

instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, the contributions to the fund shall be 0.125%.

(ii) (Deleted by amendment, P.L.1995, c.422.)

(D) Notwithstanding any other provisions of this paragraph (1), during the period starting January 1, 1993 and ending June 30, 1994, each worker shall contribute to the unemployment compensation fund 0.5% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer. No contributions, however, shall be made by the worker while the worker is covered by an approved private plan under the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) or while the worker is exempt under section 7 of P.L.1948, c.110 (C.43:21-31) or any other provision of that law; provided that the contributions shall be at the rate of 0.50% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions and which is covered by the State plan under the "Temporary Disability Benefits Law," except that, while the worker is exempt from the provisions of the "Temporary Disability Benefits Law" under section 7 of that law, P.L.1948, c.110 (C.43:21-31) or any other provision of that law, or is covered for disability benefits by an approved private plan of the employer, no contributions shall be made to the fund.

Each worker shall, starting on January 1, 1996 and ending March 31, 1996, contribute to the unemployment compensation fund 0.60% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of

New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1998 and ending December 31, 1998, contribute to the unemployment compensation fund 0.10% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 1999 until December 31, 1999, contribute to the unemployment compensation fund 0.15% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2000 until December 31, 2001, contribute to the unemployment compensation fund 0.20% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.10% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on January 1, 2002 until June 30, 2004, contribute to the unemployment compensation fund 0.1825%

of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or a nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

Each worker shall, starting on and after July 1, 2004, contribute to the unemployment compensation fund 0.3825% of wages paid with respect to the worker's employment with a governmental employer electing or required to pay contributions or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, regardless of whether that nonprofit organization elects or is required to finance its benefit costs with contributions to the fund or by payments in lieu of contributions, after that employer has satisfied the conditions set forth in subsection (h) of R.S.43:21-19 with respect to becoming an employer, provided that the contributions shall be at the rate of 0.0825% of wages paid with respect to employment with the State of New Jersey or any other governmental entity or instrumentality electing or required to make payments in lieu of contributions.

(E) Each employer shall, notwithstanding any provision of law in this State to the contrary, withhold in trust the amount of his workers' contributions from their wages at the time such wages are paid, shall show such deduction on his payroll records, shall furnish such evidence thereof to his workers as the division or controller may prescribe, and shall transmit all such contributions, in addition to his own contributions, to the office of the controller in such manner and at such times as may be prescribed. If any employer fails to deduct the contributions of any of his workers at the time their wages are paid, or fails to make a deduction therefor at the time wages are paid for the next succeeding payroll period, he alone shall thereafter be liable for such contributions, and for the purpose of R.S.43:21-14, such contributions shall be treated as employer's contributions required from him.

(F) As used in this chapter (R.S.43:21-1 et seq.), except when the context clearly requires otherwise, the term "contributions" shall include the contributions of workers pursuant to this section.

(G) (i) Each worker shall, starting on July 1, 1994, contribute to the State disability benefits fund an amount equal to 0.50% of wages paid with respect to the worker's employment with a government employer electing or required to pay contributions to

the State disability benefits fund or nongovernmental employer, including a nonprofit organization which is an employer as defined under paragraph (6) of subsection (h) of R.S.43:21-19, unless the employer is covered by an approved private disability plan or is exempt from the provisions of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-25 et al.) under section 7 of that law (C.43:21-31) or any other provision of that law.

(ii) Each worker shall contribute to the State disability benefits fund, in addition to any amount contributed pursuant to subparagraph (i) of this paragraph (1)(G), an amount equal to, during calendar year 2009, 0.09%, and during calendar year 2010 0.12%, of wages paid with respect to the worker's employment with any covered employer, including a governmental employer which is an employer as defined under R.S.43:21-19(h)(5), unless the employer is covered by an approved private disability plan for benefits during periods of family temporary disability leave. The contributions made pursuant to this subparagraph (ii) to the State disability benefits fund shall be deposited into an account of that fund reserved for the payment of benefits during periods of family temporary disability leave as defined in section 3 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-27) and for the administration of those payments and shall not be used for any other purpose. This account shall be known as the "Family Temporary Disability Leave Account." For calendar year 2011 and each subsequent calendar year, the annual rate of contribution to be paid by workers pursuant to this subparagraph (ii) shall be the rate necessary to obtain a total amount of contributions equal to 125% of the benefits paid for periods of family temporary disability leave during the immediately preceding calendar year plus an amount equal to 100% of the cost of administration of the payment of those benefits during the immediately preceding calendar year, less the amount of net assets remaining in the account as of December 31 of the immediately preceding year. Necessary administrative costs shall include the cost of an outreach program to inform employees of the availability of the benefits and the cost of issuing the reports required or permitted pursuant to section 13 of P.L.2008, c.17 (C.43:21-39.4). No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, with the sole exception that, during calendar years 2008 and 2009, a total amount not exceeding \$25 million may be transferred to that account from the revenues received in the State disability benefits fund pursuant to subparagraph (i) of this paragraph (1)(G) and be expended for those payments and their administration, including the administration of the collection of contributions made pursuant to this subparagraph (ii) and any other necessary administrative costs. Any amount transferred to the account pursuant to this subparagraph (ii) shall be repaid during a period beginning not later

than January 1, 2011 and ending not later than December 31, 2015. No monies, other than the funds in the "Family Temporary Disability Leave Account," shall be used under any circumstances after December 31, 2009, for the payment of benefits during periods of family temporary disability leave or for the administration of those payments, including for the administration of the collection of contributions made pursuant to this subparagraph (ii).

(iii) (Deleted by amendment, P.L.1994, c.112.)

(3) (A) If an employee receives wages from more than one employer during any calendar year, and either the sum of his contributions deposited in and credited to the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of benefits under one or more approved private plans under the provisions of section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) and deducted from his wages, or the sum of such latter contributions, if the employee is covered during such calendar year only by two or more private plans, exceeds an amount equal to 1/2 of 1% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3) during the calendar years beginning on or after January 1, 1976, the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to such refund. Such refund shall be made by the controller from the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of such refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33) such determination to be based upon the ratio of the amount of such wages exempt from contributions to such fund, as provided in subparagraph (B) of paragraph (1) of this subsection with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the disability benefits fund, as provided in subparagraph (G) of paragraph (1) of this subsection. The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the

amount so prorated. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the State disability benefits fund.

(B) If an employee receives wages from more than one employer during any calendar year, and the sum of his contributions deposited in the "Family Temporary Disability Leave Account" of the State disability benefits fund plus the amount of his contributions, if any, required towards the costs of family temporary disability leave benefits under one or more approved private plans under the provisions of the "Temporary Disability Benefits Law" (C.43:21-25 et [seq.] al.) and deducted from his wages, exceeds an amount equal to, during calendar year 2009, 0.09% of the "wages" determined in accordance with the provisions of R.S.43:21-7(b)(3), or during calendar year 2010, 0.12% of those wages, or, during calendar year 2011 or any subsequent calendar year, the percentage of those wages set by the annual rate of contribution determined by the Commissioner of Labor and Workforce Development pursuant to subparagraph (ii) of paragraph(1)(G) of this subsection (d), the employee shall be entitled to a refund of the excess if he makes a claim to the controller within two years after the end of the calendar year in which the wages are received with respect to which the refund is claimed and establishes his right to the refund. The refund shall be made by the controller from the "Family Temporary Disability Leave Account" of the State disability benefits fund. No interest shall be allowed or paid with respect to any such refund. The controller shall, in accordance with prescribed regulations, determine the portion of the aggregate amount of the refunds made during any calendar year which is applicable to private plans for which deductions were made under section 9 of the "Temporary Disability Benefits Law" (C.43:21-33), with that determination based upon the ratio of the amount of such wages exempt from contributions to the fund, as provided in paragraph (1)(B) of this subsection (d) with respect to coverage under private plans, to the total wages so exempt plus the amount of such wages subject to contributions to the "Family Temporary Disability Leave Account" of the State disability benefits fund, as provided in subparagraph (ii) of paragraph (1)(G) of this subsection (d). The controller shall, in accordance with prescribed regulations, prorate the amount so determined among the applicable private plans in the proportion that the wages covered by each plan bear to the total private plan wages involved in such refunds, and shall assess against and recover from the employer, or the insurer if the insurer has indemnified the employer with respect thereto, the prorated amount. The provisions of R.S.43:21-14 with respect to collection of employer contributions shall apply to such assessments. The amount so recovered by the controller shall be paid into the "Family Temporary Disability Leave Account" of the State disability benefits fund.

(4) If an individual does not receive any wages from the employing unit which for the purposes of this chapter (R.S.43:21-1 et [al.] seq.) is treated as his employer, or receives his wages from some other employing unit, such employer shall nevertheless be liable for such individual's contributions in the first instance; and after payment thereof such employer may deduct the amount of such contributions from any sums payable by him to such employing unit, or may recover the amount of such contributions from such employing unit, or, in the absence of such an employing unit, from such individual, in a civil action; provided proceedings therefor are instituted within three months after the date on which such contributions are payable. General rules shall be prescribed whereby such an employing unit may recover the amount of such contributions from such individuals in the same manner as if it were the employer.

(5) Every employer who has elected to become an employer subject to this chapter (R.S.43:21-1 et [al.] seq.), or to cease to be an employer subject to this chapter (R.S.43:21-1 et [al.] seq.), pursuant to the provisions of R.S.43:21-8, shall post and maintain printed notices of such election on his premises, of such design, in such numbers, and at such places as the director may determine to be necessary to give notice thereof to persons in his service.

(6) Contributions by workers, payable to the controller as herein provided, shall be exempt from garnishment, attachment, execution, or any other remedy for the collection of debts.

(e) Contributions by employers to State disability benefits fund.

(1) Except as hereinafter provided, each employer shall, in addition to the contributions required by subsections (a), (b), and (c) of this section, contribute 1/2 of 1% of the wages paid by such employer to workers with respect to employment unless he is not a covered employer as defined in subsection (a) of section 3 of the "Temporary Disability Benefits Law" (C.43:21-27 (a)), except that the rate for the State of New Jersey shall be 1/10 of 1% for the calendar year 1980 and for the first six months of 1981. Prior to July 1, 1981 and prior to July 1 each year thereafter, the controller shall review the experience accumulated in the account of the State of New Jersey and establish a rate for the next following fiscal year which, in combination with worker contributions, will produce sufficient revenue to keep the account in balance; except that the rate so established shall not be less than 1/10 of 1%. Such contributions shall become due and be paid by the employer to the controller for the State disability benefits fund as established by law, in accordance with such regulations as may be prescribed, and shall not be deducted, in whole or in part, from the remuneration of individuals in his employ. In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to \$0.005 or more, in which case it shall be increased to \$0.01.

(2) During the continuance of coverage of a worker by an approved private plan of disability benefits under the "Temporary

Disability Benefits Law," the employer shall be exempt from the contributions required by paragraph (1) above with respect to wages paid to such worker.

(3) (A) The rates of contribution as specified in paragraph (1) above shall be subject to modification as provided herein with respect to employer contributions due on and after July 1, 1951.

(B) A separate disability benefits account shall be maintained for each employer required to contribute to the State disability benefits fund and such account shall be credited with contributions deposited in and credited to such fund with respect to employment occurring on and after January 1, 1949. Each employer's account shall be credited with all contributions paid on or before January 31 of any calendar year on his own behalf and on behalf of individuals in his service with respect to employment occurring in preceding calendar years; provided, however, that if January 31 of any calendar year falls on a Saturday or Sunday an employer's account shall be credited as of January 31 of such calendar year with all the contributions which he has paid on or before the next succeeding day which is not a Saturday or Sunday. But nothing in this act shall be construed to grant any employer or individuals in his service prior claims or rights to the amounts paid by him to the fund either on his own behalf or on behalf of such individuals. Benefits paid to any covered individual in accordance with Article III of the "Temporary Disability Benefits Law" on or before December 31 of any calendar year with respect to disability in such calendar year and in preceding calendar years shall be charged against the account of the employer by whom such individual was employed at the commencement of such disability or by whom he was last employed, if out of employment.

(C) The controller may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

(D) Prior to July 1 of each calendar year, the controller shall make a preliminary determination of the rate of contribution for the 12 months commencing on such July 1 for each employer subject to the contribution requirements of this subsection (e).

(1) Such preliminary rate shall be 1/2 of 1% unless on the preceding January 31 of such year such employer shall have been a covered employer who has paid contributions to the State disability benefits fund with respect to employment in the three calendar years immediately preceding such year.

(2) If the minimum requirements in subparagraph (D) (1) above have been fulfilled and the credited contributions exceed the benefits charged by more than \$500.00, such preliminary rate shall be as follows:

(i) $\frac{2}{10}$ of 1% if such excess over \$500.00 exceeds 1% but is less than $1\frac{1}{4}\%$ of his average annual payroll as defined in this chapter (R.S.43:21-1 et [al.] seq.);

(ii) $\frac{15}{100}$ of 1% if such excess over \$500.00 equals or exceeds $1\frac{1}{4}\%$ but is less than $1\frac{1}{2}\%$ of his average annual payroll;

(iii) $\frac{1}{10}$ of 1% if such excess over \$500.00 equals or exceeds $1\frac{1}{2}\%$ of his average annual payroll.

(3) If the minimum requirements in subparagraph (D) (1) above have been fulfilled and the contributions credited exceed the benefits charged but by not more than \$500.00 plus 1% of his average annual payroll, or if the benefits charged exceed the contributions credited but by not more than \$500.00, the preliminary rate shall be $\frac{1}{4}$ of 1%.

(4) If the minimum requirements in subparagraph (D) (1) above have been fulfilled and the benefits charged exceed the contributions credited by more than \$500.00, such preliminary rate shall be as follows:

(i) $\frac{35}{100}$ of 1% if such excess over \$500.00 is less than $\frac{1}{4}$ of 1% of his average annual payroll;

(ii) $\frac{45}{100}$ of 1% if such excess over \$500.00 equals or exceeds $\frac{1}{4}$ of 1% but is less than $\frac{1}{2}$ of 1% of his average annual payroll;

(iii) $\frac{55}{100}$ of 1% if such excess over \$500.00 equals or exceeds $\frac{1}{2}$ of 1% but is less than $\frac{3}{4}$ of 1% of his average annual payroll;

(iv) $\frac{65}{100}$ of 1% if such excess over \$500.00 equals or exceeds $\frac{3}{4}$ of 1% but is less than 1% of his average annual payroll;

(v) $\frac{75}{100}$ of 1% if such excess over \$500.00 equals or exceeds 1% of his average annual payroll.

(5) Determination of the preliminary rate as specified in subparagraphs (D)(2), (3) and (4) above shall be subject, however, to the condition that it shall in no event be decreased by more than $\frac{1}{10}$ of 1% of wages or increased by more than $\frac{2}{10}$ of 1% of wages from the preliminary rate determined for the preceding year in accordance with subparagraph (D) (1), (2), (3) or (4), whichever shall have been applicable.

(E) (1) Prior to July 1 of each calendar year the controller shall determine the amount of the State disability benefits fund as of December 31 of the preceding calendar year, increased by the contributions paid thereto during January of the current calendar year with respect to employment occurring in the preceding calendar year. If such amount exceeds the net amount withdrawn from the unemployment trust fund pursuant to section 23 of the "Temporary Disability Benefits Law," P.L.1948, c.110 (C.43:21-47) plus the amount at the end of such preceding calendar year of the unemployment disability account as defined in section 22 of said law (C.43:21-46), such excess shall be expressed as a percentage of the wages on which contributions were paid to the State disability benefits fund on or before January 31 with respect to employment in the preceding calendar year.

(2) The controller shall then make a final determination of the rates of contribution for the 12 months commencing July 1 of such year for employers whose preliminary rates are determined as provided in subparagraph (D) hereof, as follows:

(i) If the percentage determined in accordance with subparagraph (E)(1) of this [subsection] paragraph equals or exceeds $1\frac{1}{4}\%$, the final employer rates shall be the preliminary rates determined as provided in subparagraph (D) hereof, except that if the employer's preliminary rate is determined as provided in subparagraph (D)(2) or subparagraph (D)(3) hereof, the final employer rate shall be the preliminary employer rate decreased by such percentage of excess taken to the nearest $\frac{5}{100}$ of 1%, but in no case shall such final rate be less than $\frac{1}{10}$ of 1%.

(ii) If the percentage determined in accordance with subparagraph (E)(1) of this subsection equals or exceeds $\frac{3}{4}$ of 1% and is less than $1\frac{1}{4}$ of 1%, the final employer rates shall be the preliminary employer rates.

(iii) If the percentage determined in accordance with subparagraph (E)(1) of this [subsection] paragraph is less than $\frac{3}{4}$ of 1%, but in excess of $\frac{1}{4}$ of 1%, the final employer rates shall be the preliminary employer rates determined as provided in subparagraph (D) hereof increased by the difference between $\frac{3}{4}$ of 1% and such percentage taken to the nearest $\frac{5}{100}$ of 1%; provided, however, that no such final rate shall be more than $\frac{1}{4}$ of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(2) hereof, more than $\frac{1}{2}$ of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(1) and subparagraph (D)(3) hereof, nor more than $\frac{3}{4}$ of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(4) hereof.

(iv) If the amount of the State disability benefits fund determined as provided in subparagraph (E)(1) of this [subsection] paragraph is equal to or less than $\frac{1}{4}$ of 1%, then the final rate shall be $\frac{2}{5}$ of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(2) hereof, $\frac{7}{10}$ of 1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(1) and subparagraph (D)(3) hereof, and 1.1% in the case of an employer whose preliminary rate is determined as provided in subparagraph (D)(4) hereof. Notwithstanding any other provision of law or any determination made by the controller with respect to any 12-month period commencing on July 1, 1970, the final rates for all employers for the period beginning January 1, 1971, shall be as set forth herein.

(F) Notwithstanding any other provisions of this subsection (e), the rate of contribution paid to the State disability benefits fund by each covered employer as defined in paragraph (1) of subsection (a) of section 3 of P.L.1948, c.110 (C.43:21-27), shall be determined as if:

(i) No disability benefits have been paid with respect to periods of family temporary disability leave;

(ii) No worker paid any contributions to the State disability benefits fund pursuant to paragraph (1)(G)(ii) of subsection (d) of this section; and

(iii) No amounts were transferred from the State disability benefits funds to the "Family Temporary Disability Leave Account" pursuant to paragraph (1)(G)(ii) of subsection (d) of this section.

(cf: P.L. 2009, c.195 s.1)

14. Section 5 of P.L.1970, c.324 (C.43:21-24.11) is amended to read as follows:

5. For the purposes of the extended benefit program and as used in this act, unless the context clearly requires otherwise:

a. "Extended benefit period" means a period which

(1) Begins with the third week after a week for which there is a state "on" indicator; and

(2) Ends with either of the following weeks, whichever occurs later:

(a) The third week after the first week for which there is a state "off" indicator; or

(b) The thirteenth consecutive week of such period; provided, that no extended benefit period may begin by reason of a state "on" indicator before the fourteenth week after the close of a prior extended benefit period which was in effect with respect to this State; and provided further, that no extended benefit period may become effective in this State prior to the effective date of this act.

b. (Deleted by amendment.)

c. (Deleted by amendment.)

d. There is a "state 'on' indicator" for this State for a week if:

(1) The division determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of the respective week and the immediately preceding 12 weeks, the rate of insured unemployment (not seasonally adjusted) under the "unemployment compensation law" (R.S.43:21-1 et seq.):

(a) Equaled or exceeded 120% of the average of these rates for the corresponding 13-week period during each of the preceding 2 calendar years, and, for weeks beginning after September 25, 1982, equaled or exceeded 5%; or

(b) With respect to benefits for weeks of unemployment beginning after September 25, 1982, equaled or exceeded 6%, and the federal government is paying 100% of the cost of any extended benefits after January 1, 2010; or

(2) With respect to any week of unemployment beginning after December 27, 2003, the federal government is paying 100% of the cost of any extended benefits paid after January 1, 2010 and the average seasonally adjusted rate of total unemployment in the State, as determined by the United States Secretary of Labor for the most

recent three-month period for which data for all states are published:

(a) Equals or exceeds 6.5%; and

(b) Equals or exceeds 110% of the average seasonally adjusted rate of total unemployment in the State during either or both of the corresponding three-month periods ending in the two preceding calendar years.

e. There is a "state 'off' indicator" for this State for a week if:

(1) The division determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of the respective week and the immediately preceding 12 weeks, paragraph (1) of subsection d. was not satisfied; and

(2) With respect to any week of unemployment beginning after December 27, 2003, as determined by the United States Secretary of Labor for the most recent three-month period for which data for all states are published, paragraph (2) of subsection d. was not satisfied.

f. "Rate of insured unemployment," for purposes of subsections d. and e. means the percentage derived by dividing

(1) The average weekly number of individuals filing claims for regular benefits in this State for weeks of unemployment with respect to the most recent 13-consecutive-week period, as determined by the division on the basis of its reports to the United States Secretary of Labor, by

(2) The average monthly covered employment for the specified period.

g. "Regular benefits" means benefits payable to an individual under the "unemployment compensation law" (R.S.43:21-1 et seq.) or under any other State law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. s.8501 et seq.) other than extended benefits.

h. "Extended benefits" means benefits (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. s.8501 et seq.) payable to an individual under the provisions of this act for weeks of unemployment in his eligibility period.

i. "Eligibility period" of an individual means the period consisting of the weeks in his benefit year which begin in an extended benefit period and, if his benefit year ends within the extended benefit period, any weeks thereafter which begin in the period.

j. "Exhaustee" means an individual who, with respect to any week of unemployment in his eligibility period:

(1) Has received prior to the week, all of the regular benefits that were available to him under the "unemployment compensation law" (R.S. 43:21-1 et seq.) or any other State law (including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. s.8501 et seq.) in his current benefit year that includes such week, provided, that for the

purposes of this paragraph, an individual shall be deemed to have received all of the regular benefits that were available to him although as a result of a pending appeal with respect to wages and/or employment that were not considered in the original monetary determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits; or

(2) His benefit year having expired prior to such week, has no, or insufficient, wages and/or employment on the basis of which he could establish a new benefit year that would include such week; and

(3) (a) has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, the Automotive Products Trade Act of 1965 and such other federal laws as are specified in regulations issued by the United States Secretary of Labor; and

(b) has not received and is not seeking unemployment benefits under the Unemployment Compensation Law of Canada; but if he is seeking these benefits and the appropriate agency finally determines that he is not entitled to benefits under that law he is considered an exhaustee if the other provisions of this definition are met.

k. "State law" means the unemployment insurance law of any state approved by the United States Secretary of Labor under section 3304 of the Internal Revenue Code of 1986, 26 U.S.C. s.3304.

l. "High unemployment period" means any period beginning after December 27, 2003 during which the average seasonally adjusted rate of total unemployment in the State, as determined by the United States Secretary of Labor for the most recent three-month period for which data for all states are published:

(1) Equals or exceeds 8%; and

(2) Equals or exceeds 110% of the average seasonally adjusted rate of total unemployment in the State during either or both of the corresponding three-month periods ending in the two preceding calendar years.

(cf: P.L.2005, c.249, s.2)

15. This act shall take effect immediately.

STATEMENT

This bill implements a number of reforms which will to reduce the cost of State's unemployment insurance (UI) system and temporarily reduces the UI tax rates imposed on employers.

To reduce UI costs, the bill:

1. Reduce the maximum weekly UI benefit, which is now set at \$600, by \$50 to \$550, prevents increases in that maximum weekly UI benefit until the employer UI tax schedule returns to column "B" and then sets the maximum rate at 56 2/3% of the average weekly wage for all workers in the State, less \$50, during the year 2011,

and setting the maximum rate by the same formula based on each subsequent year;

2. Imposes on each UI benefit claimant a waiting period of one week unless the claimant elects, at least one month before a layoff to make an additional contribution of 0.175% of his covered wages;

3. Restricts the payment of UI benefits to any claimant who has been suspended or discharged for misconduct connected with the work, by requiring that no UI benefits be paid to the claimant at all following the suspension or discharge until the claimant becomes reemployed and works four weeks in the new employment and has earned in employment at least six times the claimant's weekly benefit rate; and

4. Prohibits the payment of extended UI benefits on the basis of the more lenient "total unemployment rate" (TUR) "on" trigger, for which current law provides a 50/50, federal-State sharing of costs, unless the costs of the extended benefits are paid entirely by the federal government, but continues to permit, as required by federal law the 50/50, federal-State sharing of costs in the case of extended UI benefits based on the more stringent "insured unemployment rate" (IUR) "on" trigger. Currently, extended benefits are being paid 100% by federal funds, but if they were not, only the TUR "on" trigger, not the IUR "on" trigger is in effect. Therefore, under current circumstances, if the 100% federal funding ended, the bill would result in the end of extended benefit in this State.

The bill permits an individual to elect to receive benefits at half of weekly benefit rate and half of the number of weeks he would otherwise receive. If the individual takes that option, the weekly earnings which would be deducted from his weekly benefit amount would be only the portion of those earnings which exceed his weekly benefit amount.

The bill also reduces the UI tax rates which will be imposed on employers for several years by phasing in, over a four-year period, the increase in employer UI tax rates which, under current law, would take effect all at once on July 1, 2010. The UI tax rate now charged to employers is based on column "B" of the tax table in R.S.43:21-7. Because the UI trust fund is currently in deficit, the tax rate, under current law, will increase, starting on July 1, 2010, to the highest tax rates set by the law, the rates found in the "E" column, plus an additional 10% surcharge. The bill reduces the UI tax burden on employers by providing that the tax rates will shift to the "C" schedule in fiscal year 2011, to the "D" schedule in fiscal year 2012, and then, in fiscal year 2013, to the "E" schedule plus the 10% surcharge required by the law when the reserve ratio reaches the level triggering the "E" schedule.

Finally, the bill establishes a "short-time" unemployment benefits program, designed to encourage employers who must reduce their employees' work hours because of economic conditions to avoid layoffs by sharing the remaining work. That is

achieved by permitting, under certain circumstances, a full-time employee to receive unemployment benefits when the employee's weekly work time is reduced by 10% or more. The bill also permits the employee to attend an approved training program while receiving those benefits.

The bill provides that an employer of at least 10 full-time non-seasonal employees may provide a shared work program if approved by the Department of Labor and Workforce Development during the period from January 1, 2010 and December 31, 2011. The program may be approved for one year. The employer is required to sustain existing fringe benefits levels, not to hire additional part-time or full-time employees; or make unreasonable revisions of workloads; to provide information needed to monitor compliance; and to certify that if a labor union represents the employees, it has agreed to the terms of the program.

Under an approved program, an employee is eligible for "short-time" unemployment benefits if:

1. The employee's weekly work hours are reduced at least 10% from normal full-time hours;
2. The employee would be eligible for regular unemployment benefits during the week if the employee was entirely unemployed; and
3. The employee is available to work normal full-time hours.

Short-time weekly benefits paid to an eligible individual are equal to the individual's weekly benefit rate multiplied by the percentage of reduction of his wages for the week. The benefits are limited to 26 weeks during a benefit year, but the weeks may be nonconsecutive. No person may receive both short-time benefits and regular unemployment benefits during the same week. The combined total of regular and short-time unemployment benefits for an employee during a benefit year is limited to the maximum amount of regular unemployment benefits allowed.

All short-time benefits are charged to the account of the employer that provides the shared work program.

The bill also requires that when the Department of Labor and Workforce Development's response team provides information, referral and counseling at a workplace which may have mass layoffs or plant closings, it provides those services to management as well as to workers and that it provides information on shared work unemployment compensation benefit programs.

Reduces unemployment benefits and employer unemployment taxes, establishes "shared work" unemployment benefits program.
